DOWN

1 – This venue has views of the Sky Tower and Auckland harbour, holds sell-out New Year's Eve parties and so many weddings I think even a celebrant would be envious. Just watch out for the wind if you're planning on using the chocolate fountain however!!

2 – The home of Sir Loin and a favourite watering hole for many of the local corporates and politicians.

3 – Cricket World Cup and the lead-up has been a crazy time for everyone but no crazier than it has been for our Christchurch property, they made the media for allegedly having one of these sneaking visitors.

5 – Simon White the General Manager of Wellington raised \$5,023.50 by growing a very impressive one of these.

7 – Rydges is tahroughout Australia, New Zealand and even in London and don't forget Atura, QT and Art Series are also part of our family. That's over 50 properties all up and growing! How many of those are in our little old Aotearoa though?

9 – Because 'It's Just The Way We Are' we include this in all our rates unlimited for FREE at all Rydges properties, and we were the first group to do it across all properties too!
